Arkansas State Statute 27-22-104 of Arkansas Law requires that you maintain liability insurance on vehicles registered in Arkansas. In order to prevent the revocation of your vehicle registration, you must take one of the following actions:

1. If the vehicle has **CURRENT LIABILITY INSURANCE** or you **OBTAIN LIABILITY INSURANCE**, you must contact your insurance company or agent. Your insurance company or agent must electronically submit your insurance information to AOIVS using the [www.AOIVS.com](http://www.AOIVS.com) website and the reference number at the top of this letter.
2. If the vehicle is **INOPERABLE** or **STORED** or **SOLD**, you must electronically submit the information to AOIVS using the [www.AOIVS.com](http://www.AOIVS.com) website and the reference number at the top of this letter.

If you fail to comply with this notice by **02/20/2020** or if there has been an improper lapse in coverage, the registration will be suspended and you will be charged \$100.00 to reinstate your registration privileges.
